## Project EPIC-ECE: Ensuring Preparation of Inclusive Early Childhood Educators

---

The **Ensuring Preparation of Inclusive Early Childhood Educators** project (**Project EPIC-ECE**) is funded by the U.S. Department of Education, Office of Special Education Programs. Project EPIC-ECE is a collaboration between the Paraprofessional Resource and Research (PAR<sup>2</sup>A) Center and the Early Childhood Special Education program in the School of Education and Human Development (SEHD) at the University of Colorado Denver (CU Denver), with the Early Childhood Education Statewide Community College Faculty Coalition, and Arapahoe Community College, Community College of Aurora, Pikes Peak Community College and Red Rocks Community College. This project addresses the critical need for well-prepared associate degree-level personnel who use evidence-based practices (EBPs) for meaningful inclusion of young children (birth through 8) with disabilities and their families in early childhood programs and classrooms.

We acknowledge the ECE professionals and faculty members who supported the development of the Bank of Resources for **ECE 1011 – Introduction to Early Childhood Education** by recommending content that supports ALL children in the context of our work. We also extend our gratitude to the following individuals for their efforts in bringing the ECE 101 Bank of Resources to its current iteration:

- Ms. Juliane Daniel, Doctoral Student, University of Colorado Denver
- Dr. Michael A. Barla, Clinical Assistant Professor-ECE/ECSE, University of Colorado Denver

Finally, we would like to especially thank the lead faculty members of Arapahoe Community College, Community College of Aurora, Pikes Peak Community College and Red Rocks Community College for their engagement and support in gathering resources that inform the ECE 101 Bank of Resources.
